COME SEE WHERE CREATIVITY HAPPENS

WELCOME TO THE WHATCOM ARTIST STUDIO TOUR

COME SEE WHERE CREATIVITY BEGINS!

IN OUR 28TH YEAR, we have 47 artists, working in 11 different media, showing throughout Bellingham and Whatcom County.

These diverse artists open their studios to the public for two special weekends at the beginning of October. You can meet the artists and get a glimpse into their creative process. We have published this helpful guide so you can plan a route and visit the studios that most intrigue you. It's also an ideal time to purchase fine art and craft from its source, whether as a gift or for yourself.

The Whatcom Artist Studio Tour is a **FREE** juried event offering you the opportunity to meet the region's finest artists in their own creative spaces.

The Tour would not be possible without the support of our local community. We would like to thank all of our advertisers and sponsors for their belief that art is important to keeping Whatcom County vibrant. We encourage everyone to use the services of these locally-owned businesses.

For those interested in participating in the 2023 Whatcom Artist Studio Tour, applications will be live on our website (www.studiotour.net) beginning February 1, 2023. Applications are due no later than April 15, 2023.

For those interested in purchasing an ad in next year's brochure, please submit a request to: info@studiotour.net.

Keep This Guidebook!

You will find maps and a directory to the artists in this guide. Hold on to it to reach participating artists throughout the year. During the two weekends of the tour, there is no need to phone ahead – just go and enjoy! Yellow and black signs will guide you to their doors. We have indicated which studios offer demonstrations. Please note that some occur at certain times so that you don't miss out!

**Studios are open to the public from
10am to 5pm * October 1, 2 and 8, 9**

Online visit us at www.StudioTour.net or become a fan of the Studio Tour on Facebook at facebook.com/WhatcomArtistStudioTour

Thanks!

Our funding comes from community business sponsorship and the advertisers you see in our guide and promotional materials. All are dedicated to promoting and supporting the arts. Your continued patronage with them helps us build a strong arts community. Thanks!

Tips for Finding Artists * Maps

At the top left of each artist listing, you'll find a studio number. These numbers correspond to the location numbers on the map at the back of this guidebook (pages 14, 15 & 16).

Artists with the same number are exhibiting at the same studio indicated by **SHARED STUDIO**.

Studios with demonstrations and wheelchair access are indicated with these icons: **DEMO** and .

OPENING THE STUDIOS OF WHATCOM COUNTY ARTISTS FOR 28 YEARS

The Whatcom Artist Studio Tour was founded in 1994 to bring the public into artists' working studios for a two-weekend self-guided tour and sale. The Studio Tour offers visitors insight into the creative process, work-life and work environment of area artists, and provides an opportunity for people to purchase original works directly from the makers.

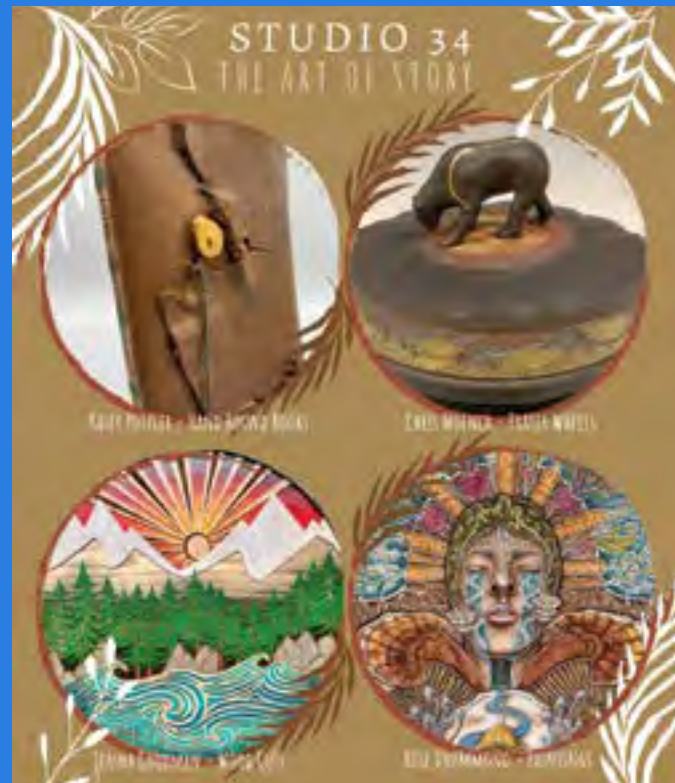

Now in our 28th year, we include both emerging and established artists, providing a unique and compelling variety of artwork. It's an opportunity to find new sources of inspiration, share and learn.
